

## Milton Wisconsin July 4 Parade — 1 PM, Thursday, July 4, 2019

We will be staging on Crescent Drive in the area of the red oval on map. I will not get our line up number until just a few days before July 4, but I got our application in on the first day, so we should be close to the start of the parade. I will be there by 10:30 AM; red Dodge Dakota truck with the trailer carrying the Rock Valley Fellowship of Reconciliation sign “Peace is Patriotic.” Hard to miss! There are restrooms at La Mar Park.

Suggestion: get there early, drop off anything you want where our unit is staged and then park in the area where the parade ends. There is a small parking lot at Central Park and there is more parking at Milton High School just south of Central Park. Then walk back to the staging area. That’s a distance of one mile, so give yourself plenty of time. This way, you won’t have to walk all the way back to the beginning to get to your vehicle after the parade when you are hot and tired! Parking is tight around the staging area. I will have water and snacks including Norm’s famous baloney and American cheese slices sandwiches to keep the group fortified until we step out.

I have one American flag, Veterans for Peace flags, a WAR IS NOT THE ANSWER banner, the Rock Valley Fellowship of Reconciliation banner and hand held peace signs so we need lots of people to staff the parade unit. The Forward! Marching band will be with us again this year.

Participating in this parade proclaiming our message of peace is very rewarding. Questions? Contact Norm Aulabaugh—608 290-9199 (cell) or [nra@ticon.net](mailto:nra@ticon.net)
